Cord Length: 6 feet

SALES FEATURES

Introducing the new Café DECO® Series coffeemaker designed to meet high demand for fresh-brewed coffee at today's busy foodservice operations. Pour cold water through the top or use a plumbing connection. At the push of a button, coffee brews to perfection in minutes. Switch on one or both of the warmers to maintain the ideal serving temperature. Stainless steel construction ensures durability and wipes clean in seconds. A front-mounted faucet provides the added convenience of easily drawing hot water.
